## 2<sup>nd</sup> Annual International Biodiversity Conference

July 29 – August 3, 2008

Baños, Ecuador

### INSTRUCTIONS FOR ABSTRACT SUBMISSION:

The following are guidelines for submitting an abstract for presentation at the 2<sup>nd</sup> Annual International Biodiversity Conference. All persons seeking to make a presentation must submit an abstract.

Abstracts should be no more than 250 words, typewritten (12-point, Times New Roman font), double-spaced, and in Microsoft Word 97-2003 document format (please do not use .docx). Please include the author(s) on the abstract. The name(s), affiliation(s), and address(es) of the authors should also appear on the Abstract Cover Sheet and e-mailed to [barkerb@wildspotsfoundation.org](mailto:barkerb@wildspotsfoundation.org).

The format of the abstract should be as follows:

1. Title (15 words or less)
2. The word ABSTRACT followed immediately by the text of the abstract

A good abstract should describe:

1. What you studied and why – place the research in perspective by explaining the reason for the work.
2. How you did the research – briefly explain your methods.
3. What you found – summarize your results.
4. What does it mean – state your conclusions and management implications.
